What we're working on

[MAY 2023]

✓ DONE

Voice Recognition

Enhance the chatbot's capability to interpret and respond to voice commands, allowing users to interact effortlessly with the app using hands-free communication.

[MAY 2023]

🔄 IN PROGRESS

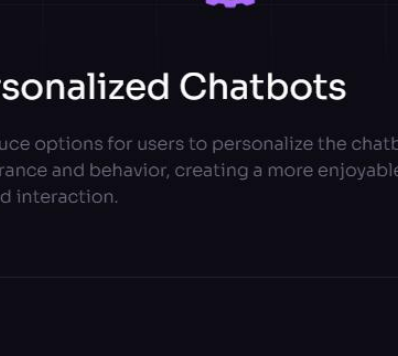

Interactive Gamification

Incorporate engaging elements like badges and leaderboards to motivate users and boost frequent interaction with the chatbot.

[MAY 2023]

✓ DONE

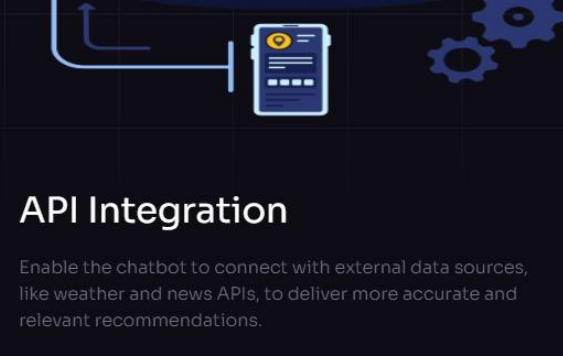

Personalized Chatbots

Introduce options for users to personalize the chatbot's appearance and behavior, creating a more enjoyable and tailored interaction.

[MAY 2023]

🔄 IN PROGRESS

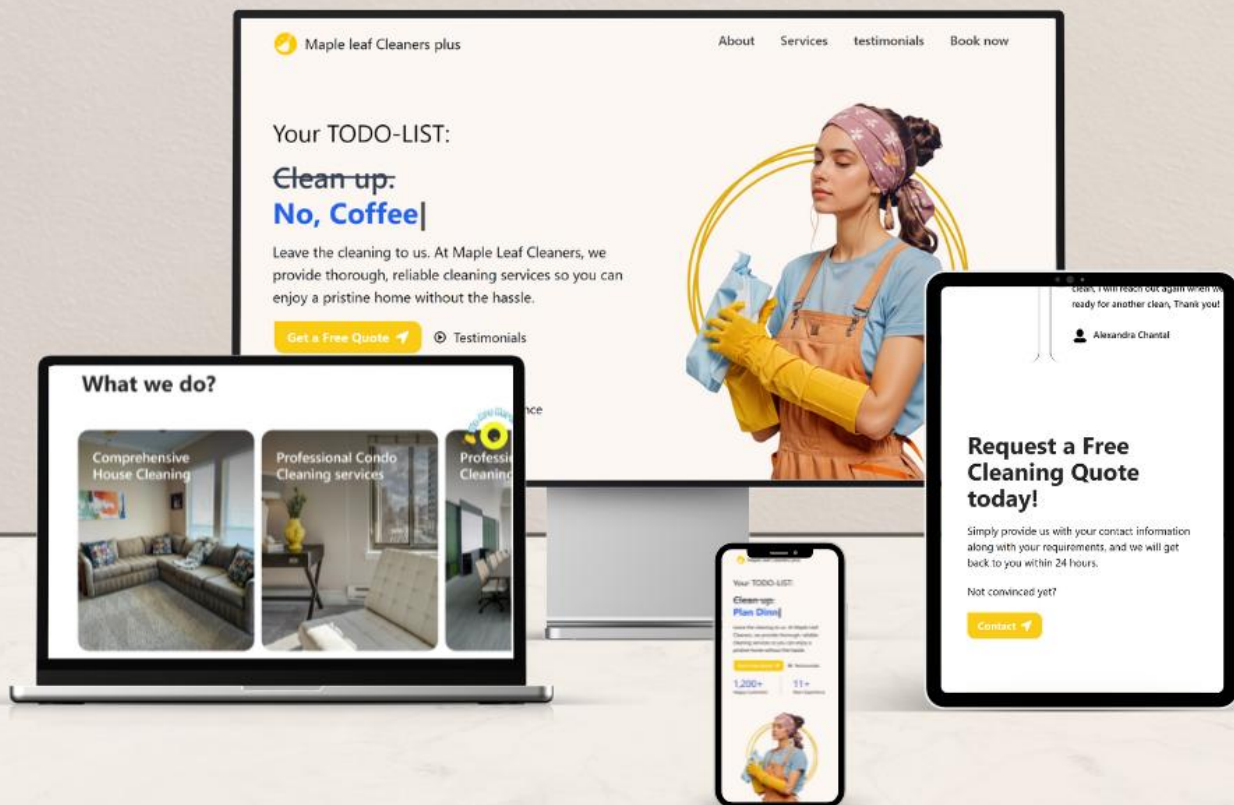

API Integration

Enable the chatbot to connect with external data sources, like weather and news APIs, to deliver more accurate and relevant recommendations.

OUR ROADMAP

WE MADE FULLY RESPONSIVE AND OPTIMIZED WEBSITE, PERFECT FOR ANY BUSINESS.

About Us

Welcome to Get Me a Chai ☕!

At Get Me a Chai, we're passionate about empowering creators to bring their projects to life. Whether you're an artist, developer, writer, or innovator, our platform provides the tools you need to fund your ideas and engage with your supporters.

Our Mission

Our mission is to create a seamless and secure crowdfunding experience that connects creators with their supporters. We believe that every great idea deserves a chance to shine, and we're here to make that happen.

What We Offer

Dynamic User Profiles : Customize your profile with unique banners, profile pictures, and personal information.

Secure Authentication : Rest assured, your data is protected with our robust authentication system.

Supporter Management : View and manage your supporters, keeping track of who believes in your vision.

Payment Integration : Easily receive funds through our secure Stripe payment gateway.
